Casket Offerings

Prices effective as of September 26, 2025

At the Methuen Family Funeral Home, we believe it is our responsibility to the community to provide complete information so that those we serve can make a sound decision.

The Methuen Family Funeral Home is proud to be a member of Selected Independent Funeral Homes.

"Founded in 1917 as National Selected Morticians, Selected Independent Funeral Homes is a worldwide trade association of independent, locally owned funeral homes who share a common interest in continuous improvement to best serve families and individuals in their times of need. All Selected members have been hand-selected for membership and have agreed to uphold the professional and ethical standards of our Code of Good Practice.

Unlike funeral homes and mortuaries that are part of large corporate organizations, Selected Funeral Homes are owned and operated by people who are invested in their communities. In fact, independent ownership is the primary requirement of membership in Selected Independent Funeral Homes.

Selected Funeral Homes are owned by people who are leaders in their community, and most have been caring for friends and neighbors for generations."
