“ Gina,

Words can not describe the love I have for you, or the devastation of your passing. I know that you are at peace and free of any kind of pain. You were not only the greatest Aunt I could have ever asked for, but also a truly amazing friend. I will forever cherish each moment that I got to spend with you in this lifetime. Until we meet again, you'll always be in my thoughts.

I will forever be missing and loving you, but comforted knowing that you are somewhere we only dream of.

*You'll always be in my heart, your little varmint,
Amanda*

“ Gina, we had so many fun times with the Giroux family and my son. You sure did love your nieces and your family. Always had a great smile... it was always a pleasure to see and be with you and Yolanda. I remember Jessie too.... I mentioned to Boo, when you girls did spring cleaning, it wasn't just fluffing up the bed. It was popping those screens out of the windows, washing them inside and out until they shine, and the birds would fly into them. I'll never forget that, i always look forward to the spring and think of you guys!! You were cleaning machines. You have peace. I have my memories until we meet again RIP. Xo

“ Auntie Gina, I keep playing your voicemail just to hear you say my name and that you love me. I miss you more than I can put into words. You were a second mother to me. You were such an influence on my life without even realizing it. I've always thought you were so beautiful and so cool. The type of fun aunt you see in movies but don't usually end up with in life. Thank you for all the memories, all the laughs, and all the love. A piece of me left with you. Love you more. -natalie (varmint #3)

“ Auntie Gina,

You were such an amazing support to me and I already miss you dearly. Growing up with you as my godmother was one of the greatest joys of my life. I would not be the woman I am today without you.

I will never forget your beautiful smile that lit up your eyes, your mischievous laugh, your crazy curls, or the way you always made me feel so special and loved.

Rest in peace with those who've gone before you, knowing that your life and love live on in us.

All my love, always,

Your Little Nicouise
